

AMENDMENTS TO THE DRAWINGS

Figures 3 and 4 are being resubmitted with the label "Amended".

REMARKS

Drawings

Figures 3 and 4 have been objected to as failing to comply with section (c) of 37 C.F.R. 1.173(b)(3). More specifically, the Examiner asserts that Figure 3, for example, should be labeled as "Amended FIG. 3."

In response, Applicant submits herewith Figures 3 and 4 labeled as "Amended".

Oath/Declaration

The Declaration has been objected to as not having a correct title.

In response, Applicant submits herewith a replacement Declaration having the correct title.

Consent

The application was allegedly filed without a proper Consent. It is the Examiner's position that the Consent does not identify the correct patent for which reissue is sought.

In response, Applicant submits herewith a replacement Consent.

Conclusion

Claims 1-18 are rejected under 35 U.S.C. 251 as being based upon a defective reissue for the reasons stated above.

All issues above have been addressed as discussed above, and thus reconsideration and withdrawal of this rejection are respectfully requested.

In view of the above, Applicant believes the pending application is in condition for allowance.

In the event a fee is required or if any additional fee during the prosecution of this application is not paid, the Patent Office is authorized to charge the underpayment to Deposit Account No. 50-2215.
